Affirmation of Faith

God calls us to be followers of Christ,
and, by the power of the Holy Spirit,
to grow as communities of grace, joy and peace,
so that God's healing and hope flow through us to the world.

FOR PRAYER

Pray for the staff and ministry of Amigo Centre (where PMF children attend summer camp) as it helps campers and guest groups connect with God, Creation, and others. Give thanks that repairs have been completed following a "flood" in the Retreat Center in early August caused by a water line break. Pray that God would renew the strength of weary staff following a busy season.

Pray for those who are grieving the loss of a loved one, including Steve and Diane Babcock and their family, Leslie W., and Sarah W., and others.

Pray for those who need to feel the healing touch of Jesus – in their spirit, body, or emotions. Ask that God would give us faith to carry our friends and neighbors to Jesus, and to walk with people through times of illness.

The Mennonite Voluntary Service program welcomed nearly 50 participants to neighborhoods in the US this fall. Pray that they will grow in their own faith as they learn to live simply in unit households, worship in local congregations, and work in new communities.

Fellow Conference congregations to pray for this week: True Vine Tabernacle, Elkhart IN, Valparaiso Mennonite Church, Valparaiso IN, and Asian Mennonite Community Church, Lombard IL.

TODAY

Today our focus is on the role of Christian community in times of illness. We as a Fellowship are learning how to create an “unbroken circle of care” around people facing illness, death, and grief. These are common human experiences, and our faith should shape how we respond to these circumstances and seasons of life. For the next several weeks, our worship times will include scriptures, songs, reflections and actions which will equip our hearts and hands to respond in caring, faith-filled ways to illness, death, and grief.

MYF Activity: We will have lunch and then go up to the hill to help do some yard work for Sherry and Duane Schmidt.

NEXT SUNDAY

As we continue our worship series on illness, death and grief we will explore the theme of "Lament." Lament is often the result of the disconnect we feel when who God is and promises to be, does not match up with our reality. The scriptures themselves give space and examples of crying out and complaining against God when we feel this disconnect. Our service will include an opportunity to write your own lament.
