For Prayer

Let us continue to give thanks for the positive energy around the community garden project. May God grant joy and hope to those who are participating, and multiply the spirit of cooperation.

Be in prayer for the upcoming area conference meetings, as well as the Mennonite Church USA convention, and for those who are working to plan these significant events. Pray for our MYF and sponsors as they prepare to attend the convention in Kansas City in July.

Pray for teachers and students as the school year ends: for life-giving learning, for healthy relationships, and for energy and discipline to finish well.

Continue to pray for those who are struggling with pain or health concerns.

Continue to be in prayer for Wally as he provides care and support to his brother Ron. May God's grace and light fill and flow through Wally. Pray also for God's peace and love to surround Ron and his family.

Continue to remember Sophie Sears and Isaiah Friesen in prayer as they study and experience life in Nicaragua through Goshen College's "Study Service Term." (See <https://www.goshen.edu/nicaragua/> for updates).

OUR COVENANT

In covenanting together, we affirm that Jesus Christ is Lord. We gratefully acknowledge him as our Lord and accept his teaching as the way to live. We recognize the importance of:

- Regular Bible study, worship with others, and prayer as a vital part of our Christian life.
- Taking each other seriously, contributing our gifts and caring for one another in love to strengthen the Christian body.
- Living and sharing the Good News as Christ has taught us and as the Holy Spirit enables.

TODAY

Pentecost Sunday! A time when we celebrate our expansive, creative God sending forth the Spirit to act as source, guide and advocate. A time to recognize that the church is not bound to one nation, race or language. It is also a time to recognize that the Spirit is also revealed within the context of our daily lives; within ordinary and through the rhythms and routines of the everyday.

NEXT SUNDAY

Shalom Sunday! The focus will be on creation care. Come and participate in a variety of activities that will focus on how we can care for creation. Start time will be at **10:00am. Bring a dish for a pitch in meal.**
