For Prayer

Remember Sophie Sears and Hannah Thill in prayer as they begin another year of classes at Goshen College, and Logan Parsons as he studies at IUPUI. May God grant them energy, wisdom and joy as they pursue interests and develop relationships.

Continue to pray for Duane and Sherry and their family as they journey through this unknown time. May the Holy Spirit grant them strength and peace. Give thanks for the blessing of visitors, and for the ongoing work of the Good Samaritan Fund.

Pray for those who are struggling with pain or health concerns.

Jean Felix Cimbalanga, president of the Evangelical Mennonite Church of Congo, is working toward unity in his denomination. Pray for new energy for ministry as this church heals from the fractures of past years.

TODAY

As a congregation we have decided to have one worship service each year that focuses on some aspect of our sexuality. Today we look at building shalom in friendships between men and women. The High School youth will begin a series of sexuality classes in September and the topic of healthy friendships between women and men is an important concept. How do we understand and model healthy cross-gender relationships within the congregation?

MYF & Parents will meet after church. Sullivan's will host and we will do a pitch-in meal, swim, and go over future schedule, including live-in and service project. This years MYF will be grades 6-12; some activities will be for combined Jr/Sr High and some will be just for Jr. or Sr High.
