## **Prayers**

Pray for Darren as he is transitioning into his new role as Pastor of Youth Formation, that he may have confidence, clarity and joy as he engages with the youth. Pray for the youth of our congregation, that they might come to know Christ in a deeper, more personal way.

Be in prayer for our upcoming Large Group meeting; may the "business" we do together, and the way we conduct our business, reflect our commitment to justice, mercy and walking humbly with our God.

Pray for parents and families in the joys and challenges of living with and for one another. May God's Spirit grant patience, humility, strength and understanding to guide all our interactions.

Pray for Peter and Delicia Wigginton (and their two young daughters) whose work in Ecuador we support through Mennonite Mission Network. Pray for Peter as he supports the new pastoral team and also begins a new teaching assignment at an indigenous seminary. Pray for Delicia and Quito Mennonite Church's Refugee Project, including their effort to make and give cloth diapers to refugee families.

Pray for those affected by violence in its many forms: those who suffer from physical violence or being displaced from their homes, those affected by emotional or sexual violence; and for nature and its many creatures who also bear the brunt of violence. May we learn from Jesus the way of peace and non-violent intervention; may we overcome fear and hate with God's love.

**TODAY**

Every Christian is called to use their gifts to “be the gospel”. At the same time, the church calls some individuals to specific ministry within the church and community. We are grateful that Darren Bender Beauregard has said “yes” to PMF’s call to serve as Pastor of Youth Formation! Today we celebrate this new beginning and commission Darren for this work.

**NEXT SUNDAY**

In II Timothy 2: 14-26 the apostle gives a description of the person approved by God. He/she is a worker who has no need to be ashamed. He/she is unashamed because he/she knows that God approves of his/her work. We will look at the different kinds of workers: “Straight or Stray Teachers, Useful or Useless Servants, Kind vs Quarrelsome Servants.”
